

Unanimous recommendations regarding the Courses of Study and Examinations in **B Sc Programme in Food and Nutrition** because of the extra ordinary situation prevailing due to the pandemic.

1. Question pattern:

Like the previous odd semesters, in End Semester Examinations of full marks 40, there will be at least 9 questions (serial number 1 to 9 and so on) of 10 marks, of which 4 questions are to be attempted. There will be parts in a question of 10 marks, with marks ranging between 2 and 5.

2. Courses of Study:

Semester 2

Serial number	Course Code	Course Title	Appearing in page number	Section/ paragraph
1	FNTACOR3T	FOOD CHEMISTRY, BIOPHYSICS AND BIOCHEMICAL PRINCIPLES	10,11	4,5
2	FNTACOR4T	HUMAN PHYSIOLOGY	11,12	2,3

Semester 4

Serial number	Course Code	Course Title	Appearing in page number	Section/ paragraph
1	FNTACOR8T	COMMUNITY NUTRITION	16, 17	6,7
2	FNTACOR9T	EPIDEMIOLOGY AND PUBLIC HEALTH	17,18	4,9,10
3	FNTACOR10T	DIET THERAPY AND LIFESTYLE	19	5,7,8

Semester 6

Serial number	Course Code	Course Title	Appearing in page number	Section/ paragraph
1	FNTACOR13T	FOOD PROCESSING AND FOOD TECHNOLOGY	23	4,6
2	FNTACOR14T	RESEARCH METHODOLOGY AND BIOSTATISTICS	24	1,2,3 and 4-Probability onwards
3	FNTADSE04T	FOOD AND BEVERAGE MANAGEMENT	29	3,4
4	FNTADSE05T	DAIRY TECHNOLOGY	29,30	6,7
5	FNTADSE06T	NUTRITIONAL MANAGEMENT and COUNSELLING	30,31	2,3

The mentioned topics may **NOT** be covered, as there was/is scope for discussion in other semesters.

With regard to the **Practical Courses**, there should be attempt to cover as much as is reasonably practicable in suitable manner and form in the given situation in the respective institutions.

For **General Courses**, the options in question paper will be increased in a similar manner as described in Point number 1(Question Pattern).
